

## Waiver / Agreement

Welcome to **Scental Sun**. Our purpose is to help you achieve a beautiful tan without the harmful effects of over exposure to ultraviolet light. Your health and safety is our main concern.

### Airbrush UV Free Spray On Tanning

- **Your spray on tan color will not provide you with protection from tanning beds or the sun.** A quality sunscreen should still be worn.
- The tanning solution contains color that may transfer to clothing, furniture or car seats. Generally this can be removed by washing or dry-cleaning, but may not. We suggest bringing a towel to cover your car seat and tanning in an old bathing suit or undergarment if you choose to wear one. Scental Sun is not responsible for potential stains to clothing or upholstery.
- If you have sensitive skin or allergies to sunless tanning products or unsure, we suggest consulting you physician prior to tanning. Allergic reactions are extremely rare and result in nothing but a minor skin rash that can be alleviated by a simple shower. If you have never used a sunless tanning product we suggest a patch test 24 hours before the full body application.
- **Pregnant women should consult physician prior to using sunless tanning products.**
- During the tanning process your tanning professional may have to touch your body to properly position it for application and to remove excess product.
- You should follow written and verbal instructions provided by your tanning consultant. **Failure to do so may adversely affect your tanning results.**
- Your tans duration is based on many factors such as age, skin condition, exfoliation rate, lifestyle, etc. **Scental Sun has no control over these factors and makes no claims with regard to duration.** Keeping your sunless tan looking good requires care and certain lifestyle changes. Consult your tanning professional for tips, aftercare instructions and products to keep your sunless tan looking the best it can be.
- **Scental Sun** is not responsible for lost, stolen, or damaged personal effects.

**I have read and understand the above statements and hold and Scental Sun harmless with regard to any and all claims.**
